## **Battling Disease: Battlefield Statics**

## Deaths from Battle Wounds vs. Deaths from Disease

This chart is used in Step #1. Use this chart to divide students into two different parts of the room.

Tell students that they are all soldiers who died during the U.S.-Mexican War. The bigger group died of disease and the smaller group died in battle or because of battle wounds.

# STUDENTS	DEATHS DUE TO	DEATHS DUE TO
	DISEASE	BATTLE WOUNDS
25	17	8
26	18	8
27	18	9
28	19	9
29	20	9
30	21	9
31	21	10
32	22	10
33	23	10
34	23	11
35	24	11
